TIMELESS LOOK · ICONIC SINCE 1967

HORSESHOE
HEM CLIP

Our Original 874[®] Work Pants are designed to be timeless and functional. Iconic since 1967, these men's pants combine a relaxed fit with a high-rise waist and a straight leg that tapers slightly at the hem.

A dark, atmospheric painting of a still life. In the foreground, a hand is seen pouring tea from a silver pitcher into a cup on a saucer. The scene is lit from the side, creating strong highlights and deep shadows. The background is dark and indistinct.
